## Pony Parties

Host a fun party for a birthday or special occasion with pony rides for the kids!

### **At your house or our farm.**

*(2 hour minimum, includes our travel time. Call in advanced to schedule. Rain dates accommodated)*

## Summertime Horse Camp

For kids interested in learning more about horses and horse care, we offer week-long camps from the end of June through the 3<sup>rd</sup> week in August. This fun, hands-on camp gives guidance on horsemanship and basic riding skills. See our camp brochure, our website or calls for detail.

## Training

*"Once you have a horses mind, anything is possible"*

We specialize in breaking young horses under saddle. Working with the horses mind, and using natural methods, we provide expert training for your horse and peace of mind for you!

## Horses for Sales/Lease

We take great care in helping you find a horse that is just right for you! In fact, unless we're comfortable that there's a match, we won't be feel comfortable selling you the horse.

If you're ready to buy, we can find the right horse for you! Any horse from beginner to advanced, Western or English, inexperienced to show quality.... we will find you the horse to match your needs!

If you're not ready to buy, leasing is an easy and affordable alternative. It allows you to spend time getting to know the horse and riding without the commitment. Of course, you can buy your horse any time after 60 days into your lease! Full & half lease options available.
